RE: Ezeanolue v. Board of Medical Examiners

Dear Dr. Ezeanolue,

Enclosed herein you will find the redistribution of the assessed costs in the investigation and hearing of the above matter. The website www.medboard.nv.gov has been updated with the Order of the District Court of Clark County Nevada, and reflects verbatim that portion of the Order which reversed the Board's findings. As you know, these events are a matter of public record, and as such the documents relating to these matters are available to the public upon request.

Also, a "Void" report was submitted to the National Practitioner Data Bank 21 November 2007. The "Void" report eliminates the original submission to the Data Bank of 13 October 2006, which was the required, initial report of the Board's findings.

The office of John H. Cotton and Associates, your counsel of record at this time, is being provided with a copy of this correspondence.

If you have any questions, please call or write.

Respectfully,

A handwritten signature in black ink, appearing to read "Douglas C. Cooper", written over a horizontal line.
